Rancho La Puerta

An hour south of San Diego, Rancho La Puerta, the world-renowned fitness resort and destination spa in Baja California, can accommodate weddings of up to 120 people with its private, six-acre Tres Estrellas Farm and La Cocina Que Canta, "The Kitchen That Sings." Wedding guests can enjoy the majestic outdoor setting, surrounded by the lush landscape and billowing rows of herbs, vegetables, and fruit trees, or head inside La Cocina Que Canta's Great Room, with its colorful flower-filled patio and courtyard. Del Mar Plaza

Located in the coastal village of Del Mar with panoramic views of the Pacific, Del Mar Plaza is an open-air shopping and entertainment destination, and also now a wedding venue. With ironwork and tiled fountains, cobblestone laid pathways, and breathtaking sunsets, Del Mar Plaza features an atmosphere reminiscent of a European marketplace. Celebrations can take place on the Plaza Ocean View Deck, with upscale dining options including Pacifica Del Mar, Il Fornaio, or El Agave. (info@delmarmainstreet.com, www.delmarplaza.com)
